

MODEL	CODE	CAPACITY	DIVISION	WEIGHT SURFACE
Baby 02	00482D	6/15kg	2/5g	560 x 285mm
Baby 02	00482E	10/20kg	5/10g	560 x 285mm

Accessories Included: External adapter, Output data RS232, Level Bubble, Adjustable Feet, Warranty 2 years

OPTIONAL	CODE	SERVICES:	CODE
Rechargeable batteries 7.2V 2000mAh life 40 h	BAME01	Metrical Verification	AOMOL2
WH80 Mechanich measuring rod for baby 35~80cm	00060M	Electric safety certificate	APREL
WH80D Electronic measuring rod for baby 35~80cm	00060HM	Calibration's certificate	ACOSIT
CARRY BAG	000157A	Warranty extension	AGAES

FUNCTIONS

Weight, Tare, Function weight/milk, Hold, Autozero, AutoOff programmable

PRODUCT DETAILS

Certifications: EU directive NAWI Approved class III
EEC directive MDD Risk class Im, with measurement function

Structure: Base and display in ABS with multifunction display with mechanical keys

Dimensions mm: Total (w)560x(L)450x(h)460, Display Ø (w)215x(L)180

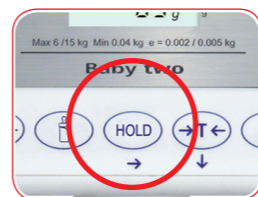

Display: 1° Weight 5 digit LCD 25mm;
2° multiline display Weight Milk 3 digit LCD15mm

Power: External adapter or rechargeable batteries 40 hours life (Not included)

Packaging: 1pcs dimension (w)600x(L)330x(h)330mm, Net weight 4.8kg, Gross weight 7 kg

Double LCD: 1°LCD weight
2°LCD function quantity milk

Function Hold weight

OPTIONAL
Mechanical telescopic height rod

OPTIONAL
Mechanical telescopic height digital reading
